\_\_\_ **Drama / Improv:** Spend time being creative; acting out stories, poems, and reader's theaters. We can take risks and work together to practice using our imaginations. It's fun to play games that use body language, facial expressions, and pantomime!

\_\_\_ **Fun with Gases:** Have you ever blown up a pop bottle with pop still in it? Do you enjoy exciting science experiments! Join us for an explosive time!

\_\_\_ **Games from Around the World:** In this make-it, take-it activity, campers will make, learn, play, and take home a variety of board games from cultures around the world. Come and have fun learning how children around the world enjoy their free-time.

\_\_\_ **Introduction to Sign Language:** Have fun learning to speak a second language as we learn through songs, games, and hands-on activities to sign basic words in the English language. Campers will learn to sign the alphabet, numbers, days of the week, family names, and more! Learn how to communicate without making a sound.

\_\_\_ **Kid's Creative Memories Class:** Come and learn the basics of scrapbooking! Learn how to crop, journal, and arrange photos to make memory scrapbooks. Be prepared to bring 20-30 photos to work with. (There may be a small additional fee for materials.)

\_\_\_ **K'nex Construction:** Have you ever made a roller coaster, Ferris wheel, or theme park from K'nex? Join us as we create, plan and build!

\_\_\_ **Jewelry-Making:** Campers will make a variety of jewelry pieces using beading, paper, and many other interesting materials. Make your accessories fabulous, creating unique jewelry to show your style!

\_\_\_ **Learning about Learning:** Have you ever wondered why it's easier for some people to learn a song by hearing it and for others to learn it by reading the music? How about why your sister can build a Lego set in 30 minutes while it takes you what seems like forever? God has given us all different bodies and different ways to think and learn. Learn through games and activities about the many ways God has given us to learn and what special ways of learning He has blessed you with!

\_\_\_ **Puppets:** If you're looking for fun, get your hands up for Puppet Camp! Children of all ages love puppets! Come and learn how to be a puppeteer. Puppetry gives children a chance to use their imaginations and work cooperatively with others to tell stories. We will use a variety of hand puppets and even make a puppet to take home!

\_\_\_ **Rockets:** 5,4,3,2,1 BLAST OFF! Campers will make their own rockets, watch them blast off into space, and parachute to the earth!
