Dear Parents,

We are looking forward to partnering with you in your child's education and are excited to welcome you in August for the 2020-2021 school year! This note contains a lot of "need to know" information. Please read it carefully.

Required Documentation – Due August 12, 2020

1. **The Health Appraisal** form and an official copy of your child's up-to-date immunization record from your doctor or a certified waiver needs to be turned in to the school office no later than August 12, 2020.
*Note that the front and back must be filled out and the form must be signed by the student's doctor's office.
2. We will also need a copy of your child's **Birth Certificate** by August 12, 2020. Your child will not be able to start school until these forms and documents have been submitted.
